START OF SCHOOL UPDATE

PAGE 1

AUGUST 2021

By Dr. Steve Gray
Superintendent
of Schools

A NOTE FROM THE SUPERINTENDENT

The 2021-2022 school year is just around the corner and we are excited to enter the new year with some sense of normalcy and routine; hopeful to leave much of the ever-changing COVID-19 restrictions and regulations of the past 18 months behind us.

It has been a busy summer at Nevada Schools- summer school programming and enrichment, meals, activities, usual building preparations, and tight construction schedules at the Middle School and Gates Hall as well.

Due to our construction, the school year will start later than normal, with our first full day of school on Tuesday, September 7th. The District offices, currently located in the High School Library, will be moving into Gates Hall sometime prior to the start of school.

While the Middle School renovation will likely not be 100% complete until October or November, it will be ready for students and staff to start the school year. Given the later than normal start date, the district has worked to adjust the schedule so the school year will still end at roughly the same time that it has in the past.

Enjoy the remainder of the summer break- we look forward to seeing everyone soon!

ANNUAL NOTICES

Nevada Community School District has a series of notices that are required to be presented annually. To view those notices, visit our website at <https://www.nevadacubs.org/required-annual-notice>.

MENTAL HEALTH SERVICES FOR CHILDREN AND ADOLESCENTS OFFERED IN NEVADA

In an effort to increase access to mental health services in central Iowa, Story Medical is now partnering with Central Iowa Psychological Services (CIPS) to offer a variety of services from Story Medical Clinic - Nevada and via telehealth.

Care is delivered by Jennifer Sambu, ARNP, PMHNP, at Story Medical Clinic. Sambu has more than a decade of experience meeting the needs of patients seeking psychiatric mental health services.

CIPS offers a wide array of services to children, adolescents, and adults, including care for depression and anxiety, couples and family counseling, medication management, addiction care, psychological evaluations and more.

To schedule a consultation for your child, call Story Medical Clinic - Nevada at (515) 382-5413. For more information on Mental Health Services at Story Medical, visit storymedical.org/mentalhealth.

BE SURE YOUR KIDS ARE UP TO DATE ON VACCINATIONS

In addition to getting your school supplies, you need to be sure of something else as you prepare for back-to-school time: Your child needs to be up to date on vaccinations when the school year starts.

We offer vaccines for all children, including those who are non-insured and under insured, at Story Medical Clinic - Nevada. If your child needs vaccinations, please call us today to schedule an appointment at (515) 382-5413.

For more information about the providers of Story Medical Clinic, visit <https://www.storymedical.org/clinics>.

KIDS CLINIC OFFERS SAME-DAY APPOINTMENTS

If your child wakes up not feeling well, you don't wait all day for an appointment. Story Medical's Kids Clinic in Nevada offers same-day appointments for infants to children up to 18 years old between 8 a.m. and 9 a.m. Monday through Friday.

Please call (515) 382-5413 to make an appointment.

CLASS OF 2021 SCHOLARSHIPS

Congratulations to the Class of 2021! To view a list of Scholarships that were awarded, visit <https://www.nevadacubs.org/school-news/2021-scholarships/>

Thank you to all of the local families and businesses that support our Seniors!

NEVADA MUSIC PARENTS

Nevada Music Parents would like to thank everyone who showed their support of the music programs on all levels this year.

If you volunteered to work in the concession stand....thank you!

If you bought meals and snacks at the stand...thank you!

If you became a member of Nevada Music Parents...thank you!

We were able to enrich our students' vocal and band experiences due to your generous contributions.

Please consider joining Nevada Music Parents and help us get a jumpstart on the 2021-2022 season! You can submit your membership registration online at <https://nevadamusicparents.weebly.com/membership.html>

We look forward to serving our music students district-wide again next year and hope to see you get involved to show your support too.

Concessions needs you! Consider volunteering at the Cub Stadium Concessions - sign up on our website: <https://nevadamusicparents.weebly.com/>

Your donations are appreciated! Send donations via PayPal to nevadamusicparents@gmail.com

If you have any questions, contact us at nevadamusicparents@gmail.com

NEVADA NURSES NEWS

Lesia Davis, RN
Eileen Patterson, RN

TO PARENTS OF INCOMING PRESCHOOLERS:

Please turn in a completed up-to-date immunization record as well as a current physical exam. We must have these on file before your child can begin school with us in the fall. You may drop them off to Central Elementary School or bring them to Preschool Preview night.

TO PARENTS OF INCOMING KINDERGARTEN STUDENTS:

Iowa law requires that children enrolling in kindergarten are required to provide proof of a dental screening. A screening for kindergarten students is valid if it occurs no earlier than age 3 and no later than four months after the first day of school (Sept. 7, 2021). You can ask your dentist for a form at the time of your visit.

TO PARENTS OF INCOMING 7TH GRADERS:

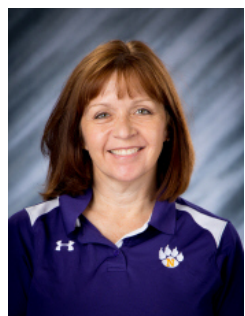

All students entering 7th grade must have proof of having both Meningococcal vaccines and a TDAP (Tetanus, Diphtheria and Pertussis) booster before school starts on September 7th . Please call your physician to get this done.

TO PARENTS OF CURRENT 9TH GRADERS:

Iowa law requires that all 9th grade students need to provide proof of a dental screening. A screening for 9th grade is valid if it occurs one year prior to enrollment to four months after the first day of school (Sept. 7, 2021). A dental form is available at your dentist's office or at the school nurse's office.

TO PARENTS OF ALL HIGH SCHOOL STUDENTS:

All students entering 12th grade must have proof of having the Meningococcal vaccines before the first day of school on September 7th . Some students already have the vaccines completed. Some have yet to get their first dose. If you are unsure what your child needs please contact your physician or the school nurse's office. The vaccine can be completed at most clinics. Contact your physician to set up an appointment. Please bring in documentation to the nurse's office.

NEVADA ATHLETIC BOOSTER CLUB

We'd like to recognize the 2020-21 Nevada Booster Club Members. Membership in the Nevada Booster Club is a great way to show support to our student athletes! Money raised by the Nevada Booster Club directly benefits all High School & Middle School athletic programs.

THANK YOU FOR YOUR SUPPORT!!

NEVADA FFA UPDATE

FFA CONSERVATION FIELD DAY

The Nevada High School Agriculture Education department and FFA Chapter collaborated with several groups to host a conservation field day on Friday, July 2nd at the FFA DOT test plot south of Nevada. Farmers, urban residents, government officials, and ag product and service providers were able to learn about no-till farming, water infiltration, and soil conservation at the field day. Heartland Cooperative, Natural Resource Conservation Service (NRCS), and Van Wall Equipment all provided resources, interactive sessions, and equipment demonstrations. Nevada FFA members were in attendance greeting attendees and providing tours of their no-till soybean field.

SCHOOL FOOD PANTRY

Cubbie's Cupboard is open to anyone the 1st and 3rd Wednesday of each month from 4PM - 5:30PM as well as by appointment.

Additional resources can be found at nevadacubs.org by searching student and family resources.

To schedule an appointment or to access additional resources contact Jodi Heeren, jheeren@nevadacubs.org or Elizabeth Gindt, egindt@nevadacubs.org 515-382-3521.
