NEVADA COMMUNITY SCHOOL DISTRICT BOARD POLICY STUDENTS – SERIES 500

Subseries 507: STUDENT HEALTH AND WELL-BEING

CODE #507.2E1

AUTHORIZATION – ASTHMA, AIRWAY CONSTRICTING OR RESPIRATORY DISTRESS MEDICATION ADMINISTRATION CONSENT FORM

Student's Name (Last), (First) (Middle)	Birthday	School	Date

The following must occur for a student to self-administer asthma medication, bronchodilator canisters or spacers or other airway constricting disease medication or for a student with a risk of anaphylaxis to self-administer an epinephrine auto-injector:

- Parent/guardian provides signed, dated authorization for student medication self-administration.
- Parent/guardian provides a written statement from the student's licensed health care professional
 (a person licensed under chapter 148 to practice medicine and surgery or osteopathic medicine and
 surgery, an advanced registered nurse practitioner licensed under chapter 152 or 152E and
 registered with the board of nursing, or a physician assistant licensed to practice under the
 supervision of a physician as authorized in chapters 147 and 148C) containing the following:
 - o Name and purpose of the medication or epinephrine auto-injector;
 - o Prescribed dosage; and
 - Times or special circumstances under which the medication or epinephrine auto-injector is to be administered.
- The medication is in the original, labeled container as dispensed or the manufacturer's labeled container containing the student name, name of the medication, directions for use, and date.
- Authorization shall be renewed annually. In addition, if any changes occur in the medication, dosage or time of administration, the parent is to notify school officials immediately. The authorization shall be reviewed as soon as practical.

Provided the above requirements are fulfilled, the school shall permit the self-administration of medication by a student with asthma, respiratory distress, or other airway constricting disease or the use of an epinephrine auto-injector by a student with a risk of anaphylaxis while in school, at school-sponsored activities, under the supervision of school personnel, and before or after normal school activities, such as while in before-school or after-school care on school-operated property. If the student abuses the self-administration policy, the ability to self-administer may be withdrawn by the school or discipline may be imposed, after notification is provided to the student's parent.

Pursuant to state law, the District and its employees are to incur no liability, except for gross negligence, as a result of any injury arising from self-administration of medication or use of an_epinephrine auto-injector by the student. The parent or guardian of the student shall sign a statement acknowledging that the District is to incur no liability, except for gross negligence, as a result of self-administration of medication or an epinephrine auto-injector by the student as provided by law.
